MOUNT TABORE SCHOOL

(A Unique School for the Unprivileged)

Mount Tabore School is the education wing of the ETERNAL PRAYER FELLOWSHIP, committed to the cause of helping the needy children. It was registered under Indian Trust Act dated on Oct. 11th 2004 (21238/04). This Trust is under the direct management of four members Board of Trustees and Evg. Ponnachan Yohannan as the Chairman. Besides, we have the Tax exemption under section 12A No. DIT (E)/12A/2006-07/E-257/1041 and 80G DIT (E) 2005-06 E 257/2385.

CHAIRMAN'S DESK

MTS is founded by Evg. PONNACHAN YOHANNAN, an Electrical Diploma Engineer turned to be messenger of Good news as well as a social and charity worker. As he was progressing in his personal commitments and prospects of carrier, he was burdened with the cause of needy and marginalized in the society and dared to sell out his property to invest into the lives of the unprivileged children and youth around.

GOALS OF THE TRUST

- ▶ To assist the poor and needy children in the society.
- ▶ Mt. Tabore English medium School to provide quality education & Computer training from the lower classes to the unprivileged children.
- ▶ Health Care to the children in the weaker section of the community.
- ▶ To engage in Women empowerment through Awareness programmes, Vocational training in job-oriented skills.
- ▶ Computer education for the unemployed and working youth.
- ▶ To demonstrate the love of Christ in word and deed.

MOUNT TABORE SCHOOL

MTS started to offer free education to the poor and

unschooled children, irrespective of their caste, creed and colour to provide quality English education and thereby build up their lives into a better prospect and make them worthy citizens of the nation. Thus, the main focus is to enable the unprivileged children to get standard education. Now the school runs from classes Nursery, L.K.G., U.K.G., Std. 1 & II. Approximately, 100 students consisted of 65 boys 35 girls from different religious, ethnic and social

background. However, they all are belonging to the category of the unprivileged group between the age group of 3-12. Due to object poverty and undisciplined

family background, most of them were involving in unworthy manner of life style and if they were not found and helped they would have become beggars or criminals in the society in future. MTS follows the CBSE syllabus.

Our teachers are well qualified and experienced, who invest in the over all development of the children.

LOCATION:

The school is situated BHATTI MINES, a sub urban villages in the Mehrauli District and 20 km from South Delhi, an area of 10.5 kms.

SERVICE OF FMTS

Free and quality English education, Since English education has become the ladder of prospect in life, we prefer to provide quality and Standard English medium than vernacular education to the weaker section.

FREE UNIFORM DISTRIBUTION

Due to poverty many of them are unable to afford decent dress to come to school. So the School supplied them two pairs of uniform freely.

ONE TIME MEAL

In fact, many parents are helpless to provide sufficient food to their children. They come to the school with empty stomach. Therefore, we are compelled to provide them one time nutritious meal so that they can attend the class.

FREE SUPPLY OF STUDY MATERIALS

Many poor parents do not send their children because of financial strains to buy textbooks and note books. So the School provides them all books, Texts, Bags, Boxes and other necessary things.

HEALTH AND SANITY PROVISIONS

It is observed that many children are hygienically unsound and needs attention. Parents are also not serious about it. Thus, the School supply them soap, hair oil, shampoo, tooth paste and brush on monthly basis.

MEDICAL CARE

Because of thier economical struggles many students are not accessible to good medical facilities. Therefore, the school undertakes immediate and necessary medical assistance to the children as per the situation.

COMPUTER EDUCATION

In order to avail the benefits of the Information Technology to the children of the ordinary people, we offer free Computer training to all our classes so that they can establish a strong foundation of life.

OTHER SERVICES

Women Empowerment Programmes :

This project is focused towards the social and economical uplift of the poor and illiterate house wives to equip them to generate income sources by offering training in vocational and skill works:

Social Awareness programmes:

Illiteracy and poverty have enslaved villagers to many superstitions beliefs and practices. They need instruction in many areas and the School initiates several awareness projects.

FREE MEDICAL CAMPS

Due to minimum medical facility and economical crisis, the villagers are not having the privilege of proper medical attention. So the School conducts free medical camps every month.

AIDS Awareness program: There is an increasing need to focus more in this area
